

“Suryadatta” Celebrates “Students Day “

20th Nov 2014 was indeed a special day for the students of Suryadatta Group of Institutes. The Dean of the Institute: Dr. Sanjay B. Chordiya had appealed to the students to have brain storming session of students, by students and for students for their contribution in making this country as highly educated resulting in empowered and energized country of youth. He also emphasized on the point of “Quality Education for all.”

20th Nov. 2014 morning witnessed huge gathering of discipline students in the conference of Suryadatta. The youngsters had come prepared to accept the challenge thrown to them and it was a marathon of meaningful discussion.

The students who coordinated this session and gave their presentation on the theme given to them by Dr. S. B. Chordiya are Aditya Narayan – PGDM 2nd year, Astha Singh & Jigar Shah – MBA 1st year.

The logical , passionate, emotional and intelligent discussin arguments happening among the students was a treat to be experienced. It reminded one of Sagar – Manthan (churning of ocean for taking out the nector). Indeed it was similar process. At the end of their session the resolutions unanimously passed by the students are:

- Physical and mental fitness is must for bearing the pressure of ever evolving and increasing load of curriculum and co – curriculum activities to come out as a successful candidate in today’s tough competitive circumstances. Therefore the Yogasana and Pranayam clans which are already being conducted in Suryadatta should be made compulsory, at least to hostilities. The students who attend these classes should awarded with a special certificate from “Suryadatta Academy of Fitness and Sports”, mentioning the completion of specially designed ‘Yogasanna course’ by the student.
- At present “Reflection” activity for the students is optional. (Reflection means students has prepare the hand written notes of wholes days classes & submit it to respective teachers on the next day for correction / evaluation.) Students have recommended making this compulsory so that students realize the importance of the self studies and it will also help to increase the quality of their studies.

- Students urged for taking extra classes for higher level earning of English Communication (at present level 1st classes are conducted only for the students who are weak in English Communication ,. But other students want such classes with level 2nd and 3rd to be expert in English communications)As the whole week is full with normal study lectures, they expressed their readiness to come on Sundays and other holidays for such classes.
- Hostelites suggested (and other students seconded if) to screen patriotic or Inspirational and theme based movies on every Saturday. It will not only be an entertainment activity but after seeing the movie students promised that they would conduct group discussions on what they learnt from the movies and also write the movies reviews.
- Students requested to keep the IT labs of this WI – FI enabled campus open till 9: 00 pm so that these students who do not have lap top, can utilize this facility for studies purpose.
- They also requested to keep the reading hall of the college open for studies till 9:00pm
- If students urged to start the drive of teaching basic IT skills to “ Self Help ” groups of ladies so that it may help them to expand their work sphere and activities. This will implanted as CSR activity by the Institute.
- The girl student have resolved that they would teach in the evening of week days and in the noon on Sundays to the children of deprived class I.e. the children of laborers going for work on construction sites. Suryadatta agreed for providing inform structure facilities for such activity.
- Dr. S.B. Chordiya accepted all the suggestions an and his acceptance announcement was acknowledged by “ Three Cheers” slogans by the students. As a step towards slogans by the students. As a step towards fulfillment of the assurance given, Dr. Chordiya inaugurated “ Suryadatta Movie Club” and Hindi Film Lagan was screened in it . The next Movie planned by the students are “ The Goal “
- International students studying in Suryadatta Group of Institutes more than 50 also organized a discussion session to highlights the objectives of quality education to all of them. They came forward with a suggestion to form “Guide and Help Cell” consisting of counselors and Indian students. This cell will work to guide and help the “Just Arrived in India” students. They will counsel with them for various courses available in Pune and the Institutes offering such courses help them for locating residential flats near the institutes extending emotional support etc.
