I.T. Proficiency & Continuous update is needed for accelerating and transforming the organization and for sustainable development in global market place says Prof. Dr. Sanjay B. Chordiya, Founder, President and Chairman of Suryadatta Group Of Institutes

Or

I.T. Proficiency is must for today's youth for successful execution of Digital India, Startup India and Standup India to projects become developed Nation by 2020.

Suryadatta group of Institutes recently organized "National Conference of global IT service providers" during this Conference Suryadatta IT Excellence award 2016 were conferred, at its Bavdhan Campus.

It was the 6th edition of IT Excellence Award Ceremony & Conference was attended by over 300 students of MBA, PGDM, MCA, M.Sc. Cs., BCA & B.Sc. Cs, faculty members and IT professionals.

Mr. Deepak Shikarpur congratulated awardees who worked hard for at least 15-20 years and successful in journey in life. For Suryadatta Students he gave the message in the form of mathematical expression $IT + IT = IT$

Where first IT- Indian Talent, second IT – Innovative talent and Third IT is India's Tomorrow and that are students only. India's future in your hands only. As you are inside Suryadatta and that's the reason that you are outstanding student.

Mr. Kailas Katkar, MD CEO Quick heal Technologies honored with Suryadatta IT Excellence Award 2016. While talking about the journey about the life upto this stage. He had started his career since schooling. Since standard 10th only in 1980's I had started learning himself crating, designing blogs. After 10th he dropped out and started job in small company. He stated that he learned everything by experience only. In 1987-88 he recognized that he need to learn computer. In 1990 he started computer repairing centre and started getting more and more customers. For every virus separate tool was there and this tool was very effective and at that time while doing graduation in year 1995, one antivirus software was designed and named as Quick heal antivirus software.

Real challenge came afterwards, brother Mr. Sanjay is software technician with no marketing knowledge. And that time there was no much craze for software so started to jump in market and convincing customer and be ready for lots of challenges.

Started software sale by 1998 and shut down computer repairing center and concentrated on sale of products. Now Quick heal is having so many products in market and Mr. Kailas is having offices not in India but also in Japan and US. Its real challenge to learn expectations of customers not only technological challenges but also cultural challenges for different countries.

While talking with Suryadatta Students, he told Never work for Money. Make it passion. Create more customers and make sure about their satisfaction.

Prof. Dr. Sanjay B. Chordiya Congratulated Mr. Kailash for his mission, passion and his success in his life. While interacting with Suryadatta Students Mr. Kailash told that while joining any company just not show your score card but you have to contribute to that company in such way so that company will go to the next level.

Mr. Deepak Nathani, Co-Founder and COO, Cybage Software Pvt. Ltd. Conferred with Suryadatta IT Excellence Award 2016. While addressing Suryadatta students at this occasion, he admired and congratulate Suryadatta Students for such a wonderful campus and Infrastructure. He told that Cybage is Pune based IT company which made global footmarks. Learning's from his experience is "Live it Up"

L- Love, I- Inspiration, V- Value and E- Enjoy every Moment

Love the company you join and this is applicable to your life also. Once you started loving next you start to inspiring others – your kids, friends and Juniors. Everytime do little bit extra to continue with company work hard and avoid shortcuts. While taking about values he said to be truly happy in life you have to be with values. And last one enjoy every moment he said, don't worry about future or past you have to work.

You have to balance the life for better output concentrate on work have partition in work life and personal life. Pick up some hobby with little passion.

Prof. Dr. Sanjay B. Chordiya, asked Mr. Deepak Nathani, to give his valuable suggestion to students to go the part-time jobs during their studies only. On this Mr. Deepak Nathani stated that studies in school and college is not sufficient . so find the gaps work on projects / assignments. Its never late to start.

Prof. Sanjay B. Chordiya requested Mr. Nathani to visit Suryadatta for charging students. Mr. Nathani accepted the proposal very happily.

Mr. Kishor Wikhe, Senior Vice President Capgemini, Conferred with Suryadatta IT Excellence Award 2016. While sharing with Suryadatts Students he told journey of IT from C, COBOL applications to current Cloud Technology. And now we are in the Era where we (Customer) expect information on figure tips. Business is changing drastically, world is changing very fast. So he advised to be prompted and updated. While talking about the current scenario about IT companies, he told that no company is ready to invest money on employee trainings so at student level only you have to update yourself with the help of online portals available and get certifications and add values in your CV.

While advising faculty members of Suryadatta, he told that instead on bookish knowledge give them practical exposure through assignments. And told that there is no standard formula for filling the gap between college learning and practical working in the companies.

Mr. Vinayak Pandit, MD, Pako India Conferred with Suryadatta IT Excellence Award 2016. He given very nice example of Tom and Jerry cartoons and suggested Suryadatta Students to have passion like Jerry.

They had a student interaction session and these imminent I.T. Stalwarts shared their valuable inputs and congratulated Suryadatta Institutes for having a wonderful campus, Infrastructure and for this Unique regularly organized Industry Institute Interface Initiative.
