I understand people relate to me.
Much more for what they can with me, than what I am with them.

Nor all my expectation will remain unfulfilled.

I understand more than what happens to me.
It is my emotional response to it that determines my future.

I understand to live life in totality
is to live every moment of life intensely & enthusiastically.

I understand my life is my responsibility &
I will not blame others.

I understand that success is the journey
and not a destination.

I will leave life centered all Prem Path Chit Anand.
I will analysis my experience & improve myself through Intro spection.
